REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Leo Bennett, Chair / Dean of Students We have completed one year and now we have a baseline to measure our efforts going forward. We have designed a comprehensive program for next school year. This program included bringing teams together including parents, community partners, students and teachers to improve our overall progress.

Dr. Deloris Brown, Principal All students attending our school will work collaboratively in teams this year along with their teachers, and student government to enhance our overall school spirit of excellence. Not only will students be involved in measuring their own growth, but we will also have parents involved; staff members, and community partners. This will occur as we look at data together using our newly formed Family University as a lab to launch a comprehensive plan for student achievement and high expectations as we strive for excellence for all students.

^{**} Prior year audited financial data available.
